

A PEER-REVIEWED BIMONTHLY JOURNAL

# TURKISH JOURNAL OF UROLOGY

## EDITORIAL

Dear Colleagues,

The 28<sup>th</sup> National Urology Congress organized by the Turkish Urology Association was held on October 10–13, 2019, in Antalya with 1222 participants. A total of 231 academicians, 202 national and 29 international, participated in the congress. International academic participants were from the United States, Germany, England, Italy, France, Spain, the Netherlands, Denmark, Czech Republic, Russia, Greece, Southern Cyprus, Albania, Kosovo, Bosnia and Herzegovina, Kazakhstan, Kyrgyzstan, Uzbekistan, and Azerbaijan.

In total, 534 abstracts were submitted to be presented at the congress. All abstracts were evaluated via a peer-review system. Of these abstracts, 96 were accepted as oral presentations, 32 as video presentations, and 214 as poster presentations. In this special issue, we present a summary of 50 papers with the highest score in the assessment made by the peer reviewers.

We would like to thank the board members of the Turkish Urology Association, European Association of Urology members, Congress Scientific Committee members, and national/international academic participants for organizing and supporting our congress and would like to thank all the academicians who submitted and presented their abstracts. We expect you to present your high-quality scientific studies at our national congress to be held next year.

Sincerely,

Prof. Dr. Murat Bozlu  
Editor in Chief
